About Us

TOUEI INC. OSAKA, JAPAN

Founded in 1955, TOUEI Inc. is the one and only company in Japan specializing in tools and supplies for the stone industry. We handle almost 15,000 items and we deal with more than 400 makers in Japan. Our aim is to contribute towards the development of the stone industry by introducing quality items made in Japan that embody fine technologies. You can see a catalogue of our items and other information such as how to use on our website. We will be happy to receive your orders.
