

Pneumatic Wet Edge Master WS-C1

Industry First! The Pneumatic Wet Edge Master WS-C1 Anyone Can Use

Bringing craftsmanship closer to everyone.

Chamfering long edges used to require years of skill —now, anyone can do it easily.

- **Lightweight (1.05kg) air tool for effortless operation!**

Say goodbye to heavy electric machines and expensive automated systems.

Enjoy smooth handling and improved work efficiency.

- **3~5 mm flat chamfering supported!**

Simply change the diamond tool to achieve seamless R-shaped edges as well.

- **Wet processing means zero dust!**

Keep your worksite clean and protect workers' health.

Rotation Speed	18000r.p.m.
Max Working Pressure	0.4~0.6Mpa • 80PSI
Air Consumption	16CFM • 450L/Min
Output	0.24KW
Compressor	3.76KW (5.0HP)
Weight	1.05kg
Collet size	6φ

Chamfering that was once the work of skilled craftsmen can now be done quickly by anyone on site.

The new standard for edge finishing is **“the Pneumatic Wet Edge Master WS-C1”**

Mounted Beveler For WS-C1

Type : Chamfer angle 45°
Grit : 1 / 2

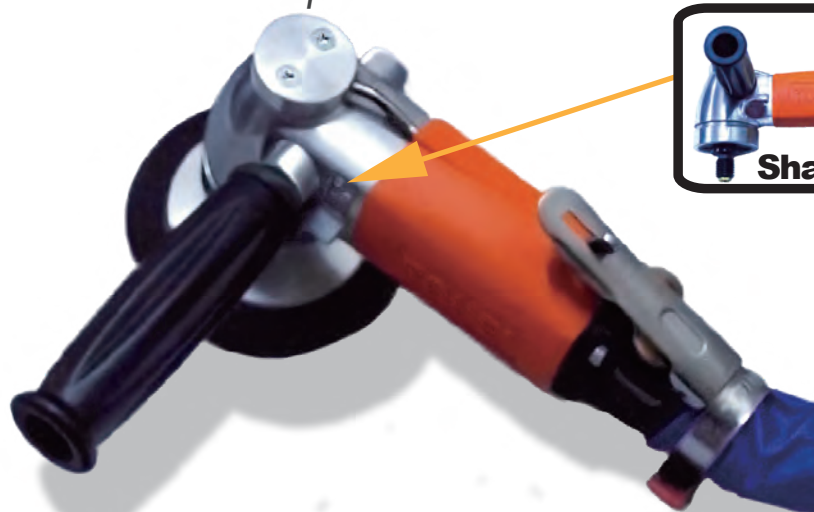

Type : Corner radius
R 3 / 5

WATER SANDER WS-6/WS-6S

~ Pneumatic wet polisher ~

(With Safety Lever)

Rotation Speed	5000r.p.m. (without load) 4000r.p.m. (with load)
Max Working Pressure	0.4~0.6Mpa • 80PSI
Air Consumption	16CFM • 460L/Min
Output	0.24KW
Compressor	3.76KW (5.0HP)
Weight	1.02kg
Noise	83db

BACK PAD

Type : Regular / Hard / Soft

Size : 100mm (4")

Spindle : 5/8-11, 14mm, 16mm

SEKISUI FIT LIGHT TAPE

~ Surface protection tape ~

Colour : Blue / Black / White / Green

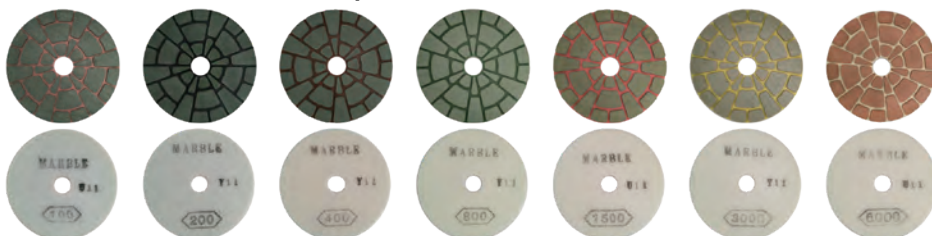

Size : 50mm Width × 25M Length

50mm Width × 50M Length

MARBLE FLEX DIA

~ Flexible diamond pad for marble and fine ceramic ~

Size : 80mm (3") / 100mm (4")

**Grit : #100, #200, #400, #800,
#1500, #3000, #6000**

About Us

TOUEI INC.

Founded in 1955, TOUEI Inc. is the one and only company in Japan specializing in tools and supplies for the stone industry. We handle almost 15,000 items and we deal with more than 400 makers in Japan. Our aim is to contribute towards the development of the stone industry by introducing quality items made in Japan that embody fine technologies. You can see a catalogue of our items and other information such as how to use on our website. We will be happy to receive your orders.
